Our family centre:

A family centre is a place for everyone in your family. We offer guidance and support services related to all aspects of family life:

- Counselling
- Child care
- Education, aid
- Social opportunities and guidance
- Migration and integration assistance
- Art and culture

Our services and activities are open to all families in our district. All families, parents, children, grandparents and other interested parties are welcome.

We cooperate with:

- ASG Bildungsforum
- Caritas
- SKFM
- VAMV child care services
- PRO TALIS senior citizen centre
- Düsseldorf Nord early learning centre
- GemüseAckerdemie horticulture programme

Please contact us for more information.

At our kindergarten...

- we care for children from 4 months up to primary school age
- children eat fresh food prepared daily in our own kitchen (based on the FitKid programme)
- we practise open pedagogy
- we attach great importance to physical activity
- language development and education for sustainable development are at the heart of our daily routines
- we participate in the federal "Sprach-Kitas" programme (kindergartens with a focus on language development)
- we are inclusive and promote diversity
- we are a "Little Scientists' House" and a certified "sustainable kindergarten"
